

3D CONSTRUCTION

www.msartroom.com

CARDBOARD
MUSICAL
INSTRUMENT

GOAL: Choose an instrument that you wish you could play or that you already to play. Create a 3D Paper sketch and use as a template to construct the instruments form from cardboard and hot glue.

CONSTRUCTION CRAFTSMANSHIP & CREATIVITY

CONSTRUCTION:

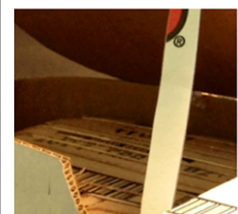

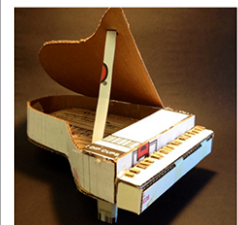

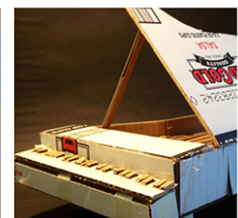

This project is a one of the most open-ended creative projects you have this semester. You need to find and collect multitudes of objects that are similar and some that are different.
